

# Type 3 All Hazard Incident Management Team Training Course (O-305)

## *United States Fire Administration Curriculum*

November 27<sup>th</sup> -December 1<sup>st</sup> 2017 - 8 am to 5 pm

South Metro Fire Headquarters

9195 East Mineral Ave. Centennial, Colorado

The overall goal of the Type 3 AHIMT course is to develop state, regional and tribal teams to function under the National Incident Management System NIMS during a large and/or complex incident, or a major event. This course is designed for those who are assigned to function on a Type 3 IMT during a large/complex incident, typically extending into multiple operational periods. This five-day course serves as a basic introduction to the activities and processes of an IMT and is all hazard in nature. This course meets the needs of the National Incident Management System (NIMS). The USFA Type 3 AHIMT course focuses on the importance of developing and operating as a functional all hazard Type 3 Team.
