

# THE NIMS STORE TABLE TOP - PACKAGE ONE

This tabletop exercise package has 5 different pre written table top exercise scenarios. Active Shooter, Flood, Haz Mat Train Incident, Tornado and Winter Storm. An additional template set is provided for these same 5 scenarios in our Chelsea County USA online simulation environment. The password into the CCUSA environment is good for one year. All of the HSEEP required paperwork for a tabletop exercise is pre-assembled.

**\*Situation Manual**

**\* Briefing slides in Powerpoint**

**\* Exercise Summary**

**\*Participant Feedback Forms**

**\*Exercise Evaluation Guides and After Action- Improvement Plan Template.**

This concept and product was designed keeping in mind how valuable emergency managers and public safety professionals time is. The NIMS Store TTX Packages give you a jump start on the tedious process of tabletop assembly. Additional files provided include ICS forms and custom built ICS document products.

*All exercises created Built by The Blue Cell, LLC- Exercise Cell*

Active Shooter

Flood

Hazmat Train

Tornado

Winter Storm

For years clients of The Blue Cell, LLC and Command School TTX have asked for a package like this drawn from our exercise archive that dates back to the late 1980's. It is finally here at the unbelievably low introductory price of **\$200.00, all inclusive.**

## Chelsea County USA

*Owned and Operated by The Blue Cell, LLC*

Our fully functional web simulation environment offers an enormous variety of possibilities with three differently sized communities in the County; multiple locations include fire, law enforcement, EMS, hospitals, schools, public works, airport, public health, and county fairgrounds.

Chelsea County USA (CCUSA) raises the bar on notional, command, decision-making training. With hundreds of typed resources and character names, exercise possibilities are endless. The site has over 25 web pages of Notional material and information.

### The site features

- Extensive mapping from Orion
- Fully functioning emails for key county personnel
- A working dispatch phone system

### Fully integrated plans

- Emergency Operations Plan
- Evacuation Plan
- Mass Fatality Plan
- Continuity of Operations Plan
- Hazmat Plan
- Agriculture Plan
- County Budget
