

2018 TTX Vault: A Blue Cell, LLC Product

Incentive Programs

The TTX Vault Product will have three distinctive categories if incentive for users and customers

Preferred- This level of the incentive program is designed for any student, exercise participant, agency or company that has previously done business with The Blue Cell, LLC or any of The Blue Cell Companies. It also applies to any follower on any Blue Cell entity on any Blue Cell related social media. To be eligible for preferred status the individual must register prior to purchase by going to the <https://ttxvault.com/pages/contact> site.

Benefit: By using the “Preferred18” discount code the customer will receive 10% off any purchase in www.ttxvault.com and can use the code as many times as they choose.

Premium- This level of the incentive program designed for government and suedo governemnt agencies. Upon purchasing \$1000.00 or more in product and by promoting the product at meetings, conferences, at live classes or on social media, in December those activities will be evaluated.

Benefit: Up to \$1000.00 in product scenarios will be provided in January of the following year.

Collaborator- This level of the incentive program is designed for private entities that choose to formally promote the product. A specific assigned referral code will be assigned to be given out by the Collaborator.

Benefit: Upon usage of the code the Collaborator will receive a 30 percent commission of the actual product sold using that code.

Note: This level of the incentive program is supported by additional sales and presentation tools supplied by The Blue Cell, LLC along with more in-depth product training.
