7. Current and Planned Virtual Trainings:

The Blue Cell Destination Training

For those choosing to attend training in-person, these courses will be held at our Interactive Training Center (ITC). Opened in 2019, the ITC is located in the Southlands Lifestyle & Entertainment District in the southeast Denver Metro Area. The destination cohort is limited to 10 select in-person students and additionally up to 30 students admitted virtually, creating the ultimate hybrid experience.

8. New Destination Courses Conducted at the Interactive Training Center

9. Have you checked out The Blue Cell on social media? If not, we would love for you to visit us, like and share!! We always have great trainings being offered, professional advice, upcoming promotions and so much more that we want to share with you.

G290 Basic Information Officer Course **August 9th and 10th**

This 2-day course will consider the value of communication before, during, and after an incident. It will help PIOs identify critical audiences, both internal and external.

The Basic Public Information Officer Course (G0290) is designed to provide participants with the opportunity to start applying basic concepts underlying the Public Information Officer (PIO) role. This course can provide a basic understanding of the PIO function for those new to the position.
